Re: *Petition for Public Records Disclosure Order:*  
Multnomah County Trial Court Administrator Records

Dear Mr. Birhanzl:

This letter is the Attorney General's order on your petition for disclosure of records under the Oregon Public Records Law, ORS 192.410 to 192.505. Your petition, which we received on April 15, 2004, asks the Attorney General to direct Douglas Bray, the Trial Court Administrator for Multnomah County to "provide access and furnish proper and reasonable facilities" for you to inspect:

- 1) The record of hearing, further proceedings scheduled 3/15/01, 10:00 a.m. TCP
- 2) The record of hearing, further proceedings scheduled 3/20/01, 9:00 a.m. TPC and
- 3) The record of hearing, further proceedings, scheduled 3/27/01, 9:00 a.m. before Judge Janice R. Wilson in *State v. Birhanzl*, Case #0101-41060, or at their discretion give me a certified copy thereof.

For the reasons that follow, we respectfully deny your petition.

The Public Records Law confers a right to inspect any public record of a public body in Oregon, subject to certain exemptions and limitations. *See* ORS 192.420. Any person denied the right to inspect or to receive a copy of a public record of a state agency may petition the Attorney General to review the record and determine if it may be withheld. ORS 192.450.

You requested the identified records from Mr. Bray in December 2003, and, in response, he provided you with the name and contact information for the court reporter who recorded the relevant hearings and suggested that you ask her about receiving a transcript of the hearings. We

spoke with Mr. Bray about your petition. He told us that his office maintains a record of the relevant hearings in the form of a stenographic tape, but that it has never ordered a transcription of the tape by the court reporter. Mr. Bray is willing to provide you with a copy of this tape.

Under ORS 192.440(2), a custodian of a requested record maintained in a machine readable or electronic form is required to "provide copies of the public record in the form requested, if available. If the public record is not available in the form requested, it shall be made available in the form in which it is maintained." According to Mr. Bray, the stenographic tape is unreadable in its current form, even with the use of a machine, to anyone other than the court reporter who created it, and who is trained in stenography. Consistent with the requirements of the Public Records Law, Mr. Bray has agreed to provide you with a copy of the stenographic tape.

The process by which a party to a court proceeding may request the creation of a transcript is governed by ORS 8.350.<sup>1</sup> Implementation of that statute is not subject to the Attorney General's review authority under the Public Records Law. ORS 192.450.

Because Mr. Bray has agreed to provide you with a copy of the existing record, *i.e.*, the stenographic tape, we deny your petition. Mr. Bray has asked that you contact him if you wish to receive a copy of the tape.

Sincerely,

PETER D. SHEPHERD  
Deputy Attorney General
