## APPLICATION FOR A NEW CLASS A AND B LICENSE TO OPERATE BINGO GAMES

#### INSTRUCTIONS

This form is to be filed by organizations applying for a new class A or B license or upgrading from a class C license to operate bingo games in Oregon. Bingo licenses are available only to qualifying nonprofit organizations, public schools, and government agencies. Only nonprofit organizations that meet the following requirements qualify for a license:

- 1. The organization must be exempt from the payment of federal income tax, and
- 2. The organization must have held tax exempt status for a period of at least 1 year, and
- 3. During this period, the organization must have been engaged primarily in its charitable, fraternal, or religious purpose.

This application must be typewritten or clearly printed in ink. All questions must be answered completely and accurately and are subject to verification by the Department. If the space provided is inadequate, add a supplemental sheet to the back of this form and identify any answers by the question number. Parts of the application may call for an original signature by a responsible official. If the application is not fully completed or not accompanied by original signatures, it may be rejected or delayed in processing. Once a complete application is filed, the Department has 60 days to approve or deny the application. You will be notified in writing if your application is rejected or denied.

PROOF OF TAX EXEMPT STATUS MUST BE PROVIDED WITH APPLICATION. (Public schools or government agencies do not need to provide proof of tax exemption.) The following items will be accepted by the Department as proof of tax exemption: (1) A determination letter from the Internal Revenue Service stating that your organization is tax exempt; (2) A copy of the IRS group exemption letter, if you are claiming to be tax exempt under a group exemption (you must provide documentation that shows the applicant organization is a subordinate organization covered by the group exemption); or (3) If the applicant organization is claiming tax exempt status other than pursuant to the provisions of the Internal Revenue Code section 501(c), a signed opinion letter from an attorney or certified public accountant that states the organization is tax exempt and which cites the relevant provisions of the Internal Revenue Code which support the claim for tax exempt status. For tax exempt political organizations, a copy of completed, signed and dated SEL 221 or FEC Form 1 and Form 1120 POL filed with the IRS will be accepted in lieu of the signed opinion letter. The following items will NOT be accepted as proof of tax exempt status: (1) IRS form assignment of employer or taxpayer identification number; and (2) Any articles of association or incorporation, or corporation listings which indicate solely that the organization is registered as a nonprofit entity.

**Additional Documents Required.** In addition to the tax exempt documentation, the following additional information and documents are required and must be submitted with the application **before** it will be processed:

- A copy of a current or proposed lease agreement for the location of the bingo games (unless applicant owns premises where games will be held).
- An authorization of inspection and waiver of liability, signed by a responsible official of the organization.
- A form certifying whether or not the organization has conducted bingo operations during the preceding 12 months prior to submitting the application for a license and providing a financial summary of such operations.
- A release form, authorizing disclosure of financial records associated with the organization's bingo operating account to the Department.
- You must list any and all persons who are proposed key persons of the proposed bingo gaming operation on this application, including the
  designated primary bingo game manager.
- Articles of Incorporation and Bylaws.
- Copies of any contracts or agreements relating to the bingo operation.

**License Fees.** The application must be accompanied by the proper license fee. All fees are non-refundable. The fee for a Class A license is \$200. The fee for a Class B license is \$100. Make a check payable to Oregon Dept of Justice. The authorized handle limit for a Class B license is \$250,000. There is no handle limit for a Class A license.

**Bingo Manager.** Class A & B licensees are required to have licensed managers and to have a manager on site at least 50 percent of the time bingo sessions are conducted. Bingo game manager applications may be obtained from the Department. Applicants for bingo game manager permits are required to undergo a background investigation, including criminal, civil and credit histories, to be conducted by the Department. A personal interview with the Department will be conducted before a permit is issued. The annual non-refundable fee for a bingo game manager permit is normally \$40.
