How Can I Receive Credit for Payments?

If you are seeking credit for payments made directly to a party or child attending school, complete the enclosed Support Payment Credit Agreement. **Both the obligor and obligee or child attending school must sign this form** and return it to the office listed on this form.

If you made payments to another state, you may need to provide proof of payments made to that state. If Oregon is enforcing another state's order at the request of another state you must contact that state to ask for credit.

If the obligee or child attending school (if applicable) will not sign the form, or the other state will not verify payments, you can ask for a hearing. Complete the enclosed Hearing Request for Support Payment Credit and return it to the office listed on this form.

Return the completed form(s) to:

Your Hearing Rights

1. Hearings are held by the Office of Administrative Hearings (OAH). The Administrative Law Judge's decision may be appealed to the circuit court of the State of Oregon.
2. This hearing for child support credit will consider only the issue of credit for payment(s) paid but not to Department of Justice.
3. The hearing will be held by telephone and OAH will notify you of the date and time of the hearing. Provide a phone number on the first page of this form where you can be reached for the hearing. If you do not appear for the hearing, your request for credit may be dismissed and your child support account will not be credited.
4. At the hearing you will have a chance to explain why you believe credit should be given. You may provide canceled checks or other proof of payment. You can have people testify for you. You can have a lawyer help you at your own expense.
5. A copy of this completed form will be sent to the other parties as a part of the hearing notice. The other parties will have the opportunity to object and be heard at the hearing.
