# Instructions

## How to fill out the New Hire Reporting Form

### **Employer Info:**

Please make sure you use the same Federal Tax ID Number (FEIN) that you use to report your quarterly wage information.

Including a contact person and phone number is required. Including email address is optional but extremely helpful, particularly if there is missing required information or the required information is unclear and employer services need to contact the employer.

### **Different address and contact information for withholding orders?**

Please fill out this box if your company has a payroll service or another address where income withholding orders should be sent.

### **Is health care coverage available?**

If your company doesn't offer dependent or family health care coverage to **any** of your employees, please mark the "No" box. If your company does offer dependent or family health care coverage to **any** of your employees, or if your employee is represented by a union and the union offers dependent or family health care coverage to any of your employees, please mark the "Yes" box. If yes is marked, please provide the waiting period, if any, and provide the union's name, telephone number and the waiting period, if known.

### **Employee:**

Please make sure the employee's name and the Social Security Number match the employee's Social Security card, including first, middle and last names.

Dates of birth are optional but very helpful in verification of employment and missing or unclear new hire information.

An employee address should be a valid address as used by the U.S. Postal Service.

### **Reporting Helpful Hints**

Oregon law [ORS 25.790, OAR 137-55-4040] requires all employers to submit their new hire reports within 20 days after the employee's hire date. This includes rehires. "Rehire" means to re-employ any individual who was laid off, separated, furloughed, granted a leave without pay, or terminated from employment for more than 60 days.

If you have never reported before, please report only those current employees for whom you have not reported quarterly wage information to the Oregon Employment Department. Do not submit a list of all current employees as this creates unnecessary processing of duplicate information.

We have a variety of methods available for use in reporting:

- [www.oregonchildsupport.gov/employers](http://www.oregonchildsupport.gov/employers). Use this secure Employer Portal via our website.
- Electronic filing through FilesDirect.com. This secure website is free and user friendly. Contact employer services at 1-866-907-2857 for file specifications.
