

# VAWA Muskie Annual Progress Report *Red Flag Alerts*

## **C1. Training**

- The total number of people trained is greater than 1,000 and the number of people attending a single training is greater than 500
- The people trained in the *Other* category are not typically thought of as professionals working with victims
- The multidisciplinary number is greater than 20% of total people trained (use multidisciplinary only as a last resort)

## **D.25. Victim Services – Primary Victims Served**

- No victims services staff in FTE yet reported victim services data
- The ratio of the total victims Served and Partially served is more than 1,000 to 1.0 FTE
- The number of victims Served is less than the number of victims Partially served
- The total number of victims reported as Not Served is more than 20% of the total number of victims Served and Partially served

## **D.26. Victim Services – Secondary Victims**

- Inappropriate use of the *Other* category - “victim didn’t show”, “victim refused services”, “services not provided by program”, “could not locate victim” – these victims probably should not be counted at all

## **D.28. Victim Services – Demographics**

- The Race total is less than the total number of victims Served and Partially served
- The Gender and Age totals do not equal the total number of victims Served and Partially served
- The number of male victims is greater than 10% of the total number of victims served
- The number in the *Unknown* categories (race, gender, age) is greater than 35% of the total number of victims served
- The number of victims served in the 13-17 category is greater than 35% of the total victims served

## **D.29. Victim Services – Relationships to Offender**

- The total number of relationships to offender by victimization (SA, DV, Stalking) is less than the total number of victims served for that victimization type (SA, DV, Stalking)
- The total numbers in *Relationship Unknown* is greater than 35% of the total number of victims Served and Partially served
- The total reported numbers in the DV relationship category for *Stranger* and *Acquaintance* should be less than 1% of known DV relationships and require an explanation

## **D.30A. Victim Services**

- The total number of victims served in any category exceeds the total number of victims Served and Partially served
- *Civil Legal Assistance* services are reported without attorney or paralegal staff FTE
- The total number of services reported is less than the total number of victim Served or Partially served

**D.30B. Victim Services- Shelter Services**

- Number of family members receiving shelter is greater than the total number of secondary victims reported in D.26.
- Number of bed nights exceeds the number of victims and family members receiving shelter (more than 365 days per victim)
- Family members each spent more than 90 days in shelter

**D.31. Victim Services – Protection Orders**

- The number of protection orders Granted should not exceed the number of orders Requested

**E.33. Criminal Justice System -- Law Enforcement**

- Reported LE enforcement activities, report no law enforcement officer FTE
- The reported LE activity category exceeds 1,000 in any one category per 1 FTE

**E.38. Criminal Justice System -- Prosecution**

- Reported prosecution activities, report no law enforcement officer FTE
- The reported prosecution activity category exceeds 1,000 in any one category per 1 FTE

**E.44. Criminal Justice System -- Courts**

- Reported court activities, report no legal staff FTE
- The reported number of individual review hearing is less than the number of offenders reviewed

**E.52. Criminal Justice System -- Probation and Parole**

- Reported probation activities, yet no probation staff FTEs were reported
- The number of offenders is higher than the number of probation contacts for those offenders
