

## FY 2018 - 2021 VAWA Implementation Planning Timeline and Expectations

---

The Oregon Department of Justice, Crime Victim and Survivor Services Division (CVSSD) includes representatives from Law Enforcement, Prosecution, Courts, Tribal Nations, underserved communities, population specific organizations and others as it begins an ongoing 3 – 4 year planning process for the FY 2021 – 2024 VAWA Implementation Plan for Oregon. The current plan [FY 2017 – 2020 VAWA Implementation Plan for Oregon](#) and its [appendices](#) was approved by OVW last year. CVSSD will post required plan updates to statistics with each annual federal application submission.

The following list includes identified members of the IP Subcommittee and others involved in the ongoing planning process. The identified IP tasks and discussion points are listed below to ensure that everyone across the state has advance notice. CVSSD addresses any updates to statistics included in the IP in the first two years and will propose revisions as the statewide funding priorities, goals and objectives are addressed. A statewide survey identifying gaps and needs will be released in FY 2020. The new IP will be developed with new statistics in FY 2020. A draft version of the new IP will be released across the state for a public commenting period prior to final submission to the Office on Violence Against Women (OVW) in FY 2021.

## FY 2018 - 2021 VAWA Implementation Planning Timeline and Expectations

---

A final plan, approved by the CVSSD Advisory Committee and vetted across the state through a 60 day public commenting period, will be submitted to OVW along with the 2021 federal application. The anticipated date of submission is April 2021. All required VAWA IP Subcommittee members that represent statutorily required allocation categories will submit a “Documentation of Collaboration” form that outlines their involvement with the IP planning process along with any recommendations.
