Re: Discussion draft of a proposal concerning exemptions for personal financial information.  
Date: May 8, 2019

---

These exemptions should be consolidated and moved into ORS Chapter 192 to the extent practical. Where that is not possible, ORS Chapter 192 should be amended as necessary to refer to specific external confidentiality provisions. (For example, ORS Chapter 192 should include a reference to ORS 314.835, which makes income tax return information confidential).
