

VINE is an automated service that allows you to track the custody status of offenders in jail or prison over the phone or internet. You can also register to be notified by phone, text, and/or email if the custody status of an offender changes.

Write down the following information, tear off this panel, and keep in a safe place:

Offender name

Offender Number

Your four-digit PIN

- If you do not answer a notification call, VINE will leave a message and will continue calling back until you enter your PIN or until up to 24 hours have passed. You may get a call from VINE in the middle of the night.
- Do not register a phone number that rings to a switchboard.
- VINE is confidential. The offender will not know you are registered with this service.
- You can register multiple phone numbers and email addresses for notifications.
- If you forget your PIN, call 877-674-8463 and press zero for a VINE service representative.
- VINE Service representatives are available 24 hours a day, seven days a week to assist you.

Oregon Department of Corrections Victim Services offers the following programs to crime victim/survivors:

FACILITATED DIALOGUE PROGRAM (FDP)

The Facilitated Dialogue Program is a victim-initiated service for crime victims and survivors who wish to have contact with the inmate convicted of a crime against them.

The program gives strong consideration to each victim's interest and understanding of what is needed for personal healing, up to and including face-to-face contact with the inmate. Participation is completely voluntary for all participants.

An intensive preparatory and assessment period helps ensure the victim/survivor does not experience additional harm. The facilitated dialogue process often helps victims regain a sense of control in their lives and make their own decisions about how to move forward. The process may also help alleviate victim concerns about the inmate's release from prison and can be a positive influence in preparing the inmate for successful reentry.

RESPONSIBILITY LETTER BANK

The Oregon Department of Corrections offers a structured responsibility letter writing process to provide inmates with the opportunity to express remorse and personal responsibility to crime victims and survivors of their crimes. If a letter is written by an inmate, it is sent to Victim Services for review and placed in a repository.

A victim/survivor may contact Victim Services at 503-934-1113 to find more information and find out if there is a letter for them written by their offender. Victim Services will then start the process of forwarding the letter to the victim/survivor.

For more information, contact the ODOC at 888-749-8080 or 503-934-1113.

Do not rely solely on VINE for your safety.
If you feel you are in danger, call 911.

INFORMATION

Call **1-877-674-8463** or visit **www.vinelink.com** and follow the instructions to information about an offender's custody status. TTY users can call 1-866-847-1298

REGISTRATION

If the offender is in custody, you can register to receive VINE notifications.

If you register a phone number, you must create a four-digit personal identification number (PIN) that you will need when you receive notifications. Make sure your PIN is easy to remember. Write it down and keep it in a safe place. Email registrations do not require a PIN.

NOTIFICATION

Custody Status

You will be notified about the following events:

- Release
- Death
- Transfer
- Escape

When VINE calls, listen to the message, then enter your PIN followed by the pound(#) key when asked. Entering the PIN lets VINE know that you received the call and will stop the service from calling you again.

No pin is required for email notifications. You will receive one email when there is a change in custody status.

WHEN TO RE-REGISTER

If an inmate/offender is moved from one agency's custody to a different agency, registrants must re-register their phone number with VINE to match with the new agency (e.g. inmate/offender is in county jail then transferred to Department of Corrections after sentencing).
