RE: CVSSD Update Reimbursements

Hello again,

One more thing: We will suspend (through the quarter ending June 30, 2020) the requirement to have progress reports completed and submitted prior to reimbursement of financial reports. Barring unusual circumstances or necessary corrections, we will process your financial reports as soon as we can to facilitate reimbursement as quickly as possible.

Important note: In an excess of caution we encourage you to get financial reports in as soon as you can in April. If the Governor closes state government at some point, DOJ will be temporarily unable to complete financial transactions. Your progress and financial reports for this current quarter (ending March 31, 2020) will be available for you to complete in E-grants March 26th.

Looking forward,
S

Shannon Sivell, J.D.
