ⁱ The purpose of the Campus Advocacy and Outreach funding initiative is to support Oregon's eligible two-year, four-year, public, non-profit, and community colleges in enhancing and expanding established qualified victim services programs. Funding is intended to support outreach activities and the expansion of advocacy services to victims of gender based violence on Oregon's campuses.

VOCA Funding Initiatives Grant

Award Period: October 1, 2020 – September 30, 2022

ⁱⁱ The purpose of this funding initiative is to expand or enhance direct services provided by CASA advocates to children who are victims of child abuse in the first year following the victimization or the CASA appointment. CVSSD accepted applications from CASA lead programs on behalf of twenty-three affiliate CASA programs. A lead program is the program that submits a single application on behalf of one or more programs, called affiliate or subrecipient programs in this context. Funding is intended to support FTE and activities for direct case management and advocate supervision and for volunteer advocate recruitment and training.

ⁱⁱⁱ The purpose of this funding initiative is to support coordinated activities that facilitate direct service delivery, including the development and enhancement of multidisciplinary county-wide human trafficking task forces that implement collaborative approaches for victims of child and youth sex trafficking. Funding is intended to support FTE and activities for the position of a Human Trafficking Task Force Coordinator/Advocate.

^{iv} The purpose of this funding initiative is to support coordinated activities that facilitate direct service delivery, including the development and enhancement of multidisciplinary county-wide human trafficking task forces that implement collaborative approaches for victims of child and youth sex trafficking. Funding is intended to support FTE and activities for the position of a Human Trafficking Task Force Coordinator/Advocate.
