

FY 2023 - 2025 VAWA Implementation Planning Timeline and Expectations

The Oregon Department of Justice, Crime Victim and Survivor Services Division (CVSSD) includes representatives from Law Enforcement, Prosecution, Courts, Tribal Nations, underserved communities, population specific organizations and others as it begins an ongoing 3 – 4-year planning process for the FY 2022 - 2025 VAWA Implementation Plan for Oregon. The current plan [FY 2022 – 2025 VAWA Implementation Plan for Oregon](#) and its [appendices](#) was approved by OVW in September 2022. CVSSD will post required plan updates to statistics with each annual federal application submission.

The following list includes identified members of the IP Subcommittee and others involved in the ongoing planning process. The identified IP tasks and discussion points are listed below to ensure that everyone across the state has advance notice. CVSSD addresses any updates to statistics included in the IP in the first two years and will propose revisions as the statewide funding priorities, goals and objectives are addressed. A statewide survey identifying gaps and needs will be released in FY 2025. The new IP will be developed with new statistics in Fall FY 2025. A draft version of the new IP will be released across the state for a public commenting period prior to final submission to the Office on Violence Against Women (OVW) in Spring FY 2026.
