NEED FOR THE RULE(S)

HB 2575 passed by the Oregon Legislature in 2021 established ongoing funding for this grant and required the Oregon Department of Justice to draft rules establishing the application process for the Trauma Informed Response Training grant program.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE

STATEMENT IDENTIFYING HOW ADOPTION OF RULE(S) WILL AFFECT RACIAL EQUITY IN THIS STATE

The Trauma Informed Response Training grant program is not specifically designed to address racial equity in Oregon. However, the program is designed to provide law enforcement and other government agencies with a basis of understanding of the nature and impact of trauma on individuals. Many communities impacted by inequity such as communities of color experience higher rates of victimization and have experienced historical trauma that impacts the way they view law enforcement and other government entities. Providing law enforcement with more training and resources about the impacts of trauma on a person will hopefully lead to better interactions and outcomes when these government actors engage with individuals who have experienced trauma.

FISCAL AND ECONOMIC IMPACT:

Funding for this grant program is part of DOJ's current service level budget.

COST OF COMPLIANCE:

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b) Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c) Estimate the cost of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).

- 1) The DOJ, CVSSD grant program will cover the costs of trauma informed training.
- 2) These rules will have no impact on small businesses.

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

These rules will have no impact on small businesses.

WAS AN ADMINISTRATIVE RULE ADVISORY COMMITTEE CONSULTED? NO IF NOT, WHY NOT?

HB 2575 required rules to establish the application process for the grant. CVSSD administers hundreds of grants a year and did not require an external body to develop these minimal application guidelines.
