Lawyer Referral Service -

The Oregon State Bar's Lawyer Referral Service provides information on more than 1,600 lawyers statewide and offers attorneys who do phone consultations. You can select the right lawyer for you based on their practice type, location, and special services including foreign language ability and license to practice law in other states.

The Lawyer Referral staff can help you focus on the type of assistance you may need, or give you more information on the Oregon State Bar, government, or community service programs that may be able to help you.

Modest Means Program -

You may be eligible for legal assistance at a reduced rate. Assistance is offered to qualified applicants based on client income and assets, the type of case, and availability of a participating lawyer in the client's county. You must complete a Modest Means Client Applicant Form to be considered for this program. Within two business days an applicant will hear back from the program.

Military Assistance Panel –

The Military Assistance Panel matches deployed servicemembers and their dependents with lawyers willing to provide up to 2 hours of legal advice at no charge.

Problem Solvers –

Oregon lawyers volunteer as Problem Solvers to offer free legal information and advice to children. Any young person between the ages of 13 and 17 can call to request a referral to this program. Referrals include a free thirty minute office visit with a volunteer lawyer. This service is not available in all areas.
