Oregon Child Support Program

Strengthening Families

The Oregon Child Support Program values our veterans and military service members.

Our Military Liaisons and employees across the state stand ready to assist with the unique child support needs of military members and their families.

Services

- » **Locating parents** – The Oregon Child Support Program uses a variety of tools to help locate parents in Oregon and other states.
- » **Establishing and modifying child support orders** – Child support orders include both cash and medical support coverage.
- » **Collecting and distributing child support** – Over \$367 million is collected and distributed every year to ensure that children receive the support they need from both parents.
- » **Ensuring child support order compliance** – When a parent fails to pay child support, the Oregon Child Support Program takes various actions to help single parents receive the support to which they are legally entitled.

We Can Help:

- » Review a child support order
- » Pursue a modification of child support obligation
- » Set up a monthly payment plan
- » Prevent suspension of licenses

Contact Us

- » If you are facing deployment
- » If you have questions about how military benefits work with child support payments
- » If you need assistance with anything related to child support
